

Creighton
UNIVERSITY

Welcome Week

2007

Begin a
Journey
Leave a Legacy

Welcome to Creighton . . .

As you begin your first semester at Creighton, you are also about to *Begin a Journey* into a new chapter of your life. This journey will lead you through the next phase of your life and beyond, so make the most of the opportunities that lie before you. Each choice you make along the way will shape you and the *Legacy* you leave at Creighton. As Welcome Week Coordinators, we are excited to introduce you to Creighton and watch your journey progress.

While you are at Creighton many people will guide you through this exciting phase of your life. These people include staff members, professors, your Faculty Preceptor, Jesuits, and fellow students. The first people who will have the opportunity to help you with your journey are your Welcome Week Leaders. These students, wearing bright blue shirts, will be your guides throughout Welcome Week. They are here to help you and have a wealth of experience and knowledge to share with you, so please do not hesitate to approach them with any questions or concerns.

Filled with a detailed schedule and helpful hints, this booklet is your guide for a great Welcome Week. Like the rest of the University, our program is guided by Creighton's Mission Statement and Jesuit Values, and we hope that Welcome Week reflects the very best of Creighton. This week has been designed for you, so that you may discover what Creighton has to offer, meet new people, and realize what it means to be a student at Creighton. Make the most of this week so you can begin to incorporate these ideas and people into your own, unique journey through Creighton!

Allison McCuddin and Alison Gibraski
Welcome Week 2007 Coordinators

Thank You . . .

Welcome Week would not be possible without the help of many University departments, students, and local sponsors. We would like to thank Student Services, Creighton Students Union, Panhellenic and Interfraternity Councils, Sodexo, Pepsi Cola, the individual colleges and schools, Public Safety, Program Board, the many businesses who have generously donated prizes, and all of the other departments who contributed to the program. We would especially like to thank our advisor, Michele Starzyk, the executive staff, and Welcome Week Leaders.

New Student Orientation Mission Statement

The mission of New Student Orientation at Creighton University is to provide for continuing services and assistance that will . . .

- Aid new students in their transition to Creighton;
- Expose new students to the array of academic and social opportunities of Creighton;
- Integrate new students into the life of Creighton;
- Provide information to the families of our new students.

This area will facilitate the campus community in providing programs and services designed to assist and support new students and their families in their transition to Creighton. Orientation programs will include academic and social components and will address challenging issues that affect student success. These programs will also address the needs of diverse populations including transfer, minority, international, and commuter students. This area is committed to providing leadership opportunities for a strong student orientation volunteer staff.

Creighton Jesuit Values

Magis - Literally translated “more”. This is the challenge to strive for excellence.

Women & Men For and With Others - Sharing gifts, pursuing justice, and having concern for the poor and marginalized.

Cura Personalis - “Care for the individual person.”
Respecting each person as a child of God and all of God’s creations.

Unity of Heart, Mind, and Soul - Developing the whole person. Integrating all aspects of our lives.

Ad Majorem Dei Gloriam (AMDG) - “For the Greater Glory of God.”

Forming & Educating Agents of Change - Teaching behaviors that reflect critical thought and responsible action on moral and ethical issues.

Points System

We have created a Welcome Week competition in order to reward you for your participation. When you attend one of our events please make sure to sign in with your Welcome Week Leaders. The more people who attend from your group, the more points your group earns. The group with the most points at the end of Welcome Week will win a wonderful prize. Prizes will also be randomly given at events to students who have signed in. Your Welcome Week Leader will inform you which events will be worth double points.

Welcome Week Executive Staff

Get to know these amazing individuals in the gray polos.
They are here to help answer any of your questions and concerns!

A Presidential Welcome

Welcome to Creighton University! You are among a select group of academically successful and engaged students who we judge are prepared and poised for success in this next phase of your education.

Since becoming President of Creighton, I am convinced of the value of a Creighton education. On a daily basis I experience the supportive and nurturing environment that enhances our sense of campus community, and I also observe the multiple opportunities for student involvement on and off campus in co-curricular programs and service opportunities. Rooted in a 465-year tradition of excellence in Jesuit education, Creighton, as one of the leading comprehensive Jesuit universities in the United States, will provide you the opportunity to attain a first-rate education. I am personally committed to Creighton's quality in the multiple aspects that will make up your college life.

Your time at Creighton will be challenging. You will learn to think for yourself, to judge issues in light of the facts, and to come to the most appropriate professional, moral and ethical conclusions. I hope you take up this challenge – to think, to judge and to act rightly – during your years among us and in your life beyond the University.

Creighton is a special place – enriching and enriched by its students. Creighton students have learned over the years not only to study hard, but also how to have fun, and in the process make lifelong friendships. It is this balance that can make your college experience most profitable for you, intellectually and socially. Underpinning all of this will be your moral and spiritual growth, your sense of community and your desire for service. These will become the foundation stones of your personal development.

Creighton begins its 129th year this September. There is a palpable momentum on campus, and the Omaha community senses that Creighton is “on the move.” And it is! You are joining the Creighton community at a most opportune and exciting time. Life on and off campus will not be dull!

Over the generations, Creighton graduates have become leaders in their careers and professions; they have made a difference to society. It is my hope that you will join this partnership with us and that you develop into the person you want to be as you pursue the possibilities of Creighton and of Omaha. Again, welcome to Creighton. Be prepared to begin this journey and get engaged in leaving a legacy. Be prepared to be surprised!

Sincerely,

John P. Schlegel, S.J.
President, Creighton University

To the Newest Members of the Creighton Students Union (CSU):

Congratulations- you are now a Bluejay! You have all demonstrated your ability to achieve great things up to this point and this is very visible in the fact that the class of 2011 is setting records in everything from ACT scores to community involvement. But your journey has only begun. The next four years will be an amazing adventure where you will shape the direction you take for the rest of your life and there is no better place to do this than at Creighton University!

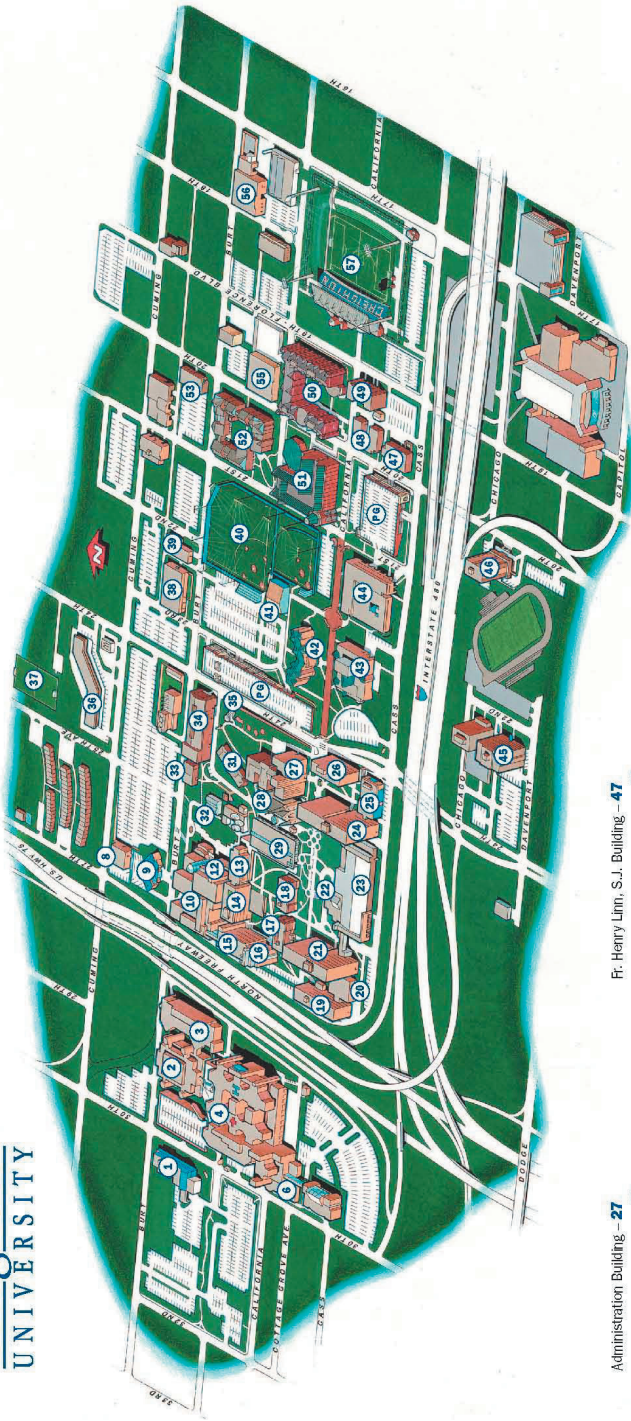

Creighton is reaching new heights and it is you, the students, that will take it to the next level. It is a very exciting place to be and you will see how much Creighton has to offer. Whether it is the new state-of-the-art Harper Center for Student Life and Learning, the nationally renowned Morrison soccer stadium, the award winning professors, or the amazing apartment-style residence halls, Creighton has everything and more for an excellent living-learning environment.

But of course, this all comes back to you. The best thing you can do to get the most out of your Creighton experience is to get involved. There are so many opportunities in everything from the many student leadership roles, to nationally ranked sports clubs, to endless service projects, all it takes is initiative and CSU is a great place to start. The Creighton Students Union funds all of the student organizations, sports clubs, Program Board events, and is the student government, representing all 7,000 students on campus to the Creighton administration, Omaha, and beyond. I strongly encourage each of you to get involved as a CSU representative, as a member of a student organization or sports club, or in the many other opportunities on campus. Look for us at the involvement fair in the fall or stop by the Student Activities Office in the Skutt Student Center - the door is always open and we are looking forward to hearing from you. Once again, congratulations, and welcome to Creighton.

Steve McHale
President, Creighton Students Union
