BLUEJAY!**

Welcome to Creighton!

As Coordinators of the Welcome Week program, we are very excited for you to join the Creighton community. Welcome Week is designed to introduce new students to campus and ensure a smooth transition into collegiate life. The first people who have the opportunity to help you are your Welcome Week Leaders. These students, wearing blue shirts, will be your guides throughout Welcome Week. Their job is to help you by answering your questions and directing you across campus.

The theme for this year's Welcome Week is **Imagine. Encounter. Inspire.** We hope that this resonates with you as you begin your journey at Creighton. During Welcome Week, you will become aware of the resources and opportunities available to students. This booklet will be your detailed schedule of events for the week. Make the most of Welcome Week and you will soon understand what it means to be a Creighton Bluejay.

A Presidential Welcome

Welcome to Creighton University! I am delighted that you have chosen Creighton as the place to begin the most important years of your life. You will not regret it. This is a beginning for me as well, as Creighton's 24th president. I could not be more thrilled about the upcoming academic year.

As an alumnus of Creighton, I know how truly transformational this University can be, and I am confident that you will feel the same way when you leave us, diploma in hand. A sense of mission governs the enterprise of Catholic, Jesuit higher education at Creighton. The University exists for you and for your learning, and all of its resources are dedicated to this purpose. You will be challenged to reflect on transcendent values, to strive for excellence and to reach your full potential. I hope you will approach your time here with a passion for learning and a zeal for making a difference. If you do, there is no limit to the success and the intellectual and spiritual growth you will experience. You will form good, lifelong friendships at Creighton. You will learn from professors who will make an indelible impact upon your life. Your faith will grow and your world will become wider and more inclusive.

At Creighton, learning does not end once you leave the classroom. Take advantage of the many co-curricular groups and organizations, opportunities to play and enjoy athletics, and the many chances to serve those who are not as fortunate. I am excited for you because of the many possibilities that lie ahead of you. May God bless you as you begin this vitally important part of your life as a member of the Creighton University community.

Timothy R. Lannon, S.J.
President

Newest Members of the Creighton Family:

It is my pleasure to officially welcome you to the student body of Creighton University. After a long summer of graduation parties and goodbyes, you are ready to start the next chapter of your life. Creighton University is, without a doubt, the best place for this beginning. A place where you will be challenged, meet incredible people, and set out for new adventures, Creighton is your home now. You will begin to realize that welcoming new members to our family is one of our proudest traditions. I am so glad you have chosen Creighton to grow into the man or woman you were called to be.

Creighton truly is the perfect place for you to develop as an individual. Throughout your time here, you will grow as a scholar through faculty challenging you to explore a deeper meaning in one of our 50 majors, as a servant challenged by a Jesuit, Catholic mission to make a difference, and as a leader ready to face tomorrow's challenges. Creighton has a niche for developing agents of change and by the time you leave, you will have a unique set of skills and values to use for the rest of your life.

Furthering this focus, the Creighton Students Union, your comprehensive student government, is dedicated to enhancing your academic, social, and cultural experience as a Bluejay. Following the Jesuit tenet of Magis, you are called to explore life outside the classroom. An education is vastly more fulfilling when you step outside your dorm room or classroom to explore what else is out there for you. By participating in one of the more than 200 clubs or organizations, you can meet new people, challenge your way of thinking, or even discover something you never thought you would enjoy. This is a wonderful time to explore new hobbies. Take an interesting course such as a Beginning Tennis or Beginning Piano. Find a club that shares similar interest to you such as Green Jays or Hui 'O Hawaii. Creighton offers so much more than just your typical classroom experience. It is up to you to take advantage of it.

During your years as a Bluejay, take the time to ask yourself who you are now and who you want to become. Your time here at Creighton will not only help you answer these questions but will also help get you there. Once again, I am honored to welcome you all to the Creighton family. It is my pleasure to serve you as your student body president.

Douglas McAcy
President of the Creighton Students Union

The Pillars of Welcome Week

Welcome Week is a program built with three intentional core values.

Community – The fundamental mission of Welcome Week strives to help new students feel a connection to the authentic community that exists on Creighton’s campus. Through activities and opportunities offered during Welcome Week, students also realize the unique role Creighton plays in the Omaha community.

Companionship – Deeply rooted in the Jesuit tradition and one of the keys to a Jesuit education at any level, is the idea that students know how to share of themselves...to be friends and companions to one another. The role of the upperclass Guides, Beadles, and Decurions, along with the small group sizes serve as a realization and extension of companionship within the Welcome Week program.

Commitment – At its core, Creighton is an academic institution of which students join to pursue knowledge. The University Mission statement states that “Creighton exists for students and learning.” The commitment to scholarship, academic excellence, and the understanding of the expectations that come with this commitment are infused throughout the Welcome Week Program.

Office of Student Success

The Office of Student Success (OSS) is found on the fourth floor of the Harper Center. In addition to housing the Welcome Week Program, it provides services and opportunities that enhance the personal development, academic success, and retention of Creighton University students. There are two key elements of student learning and development that define student success and frame our efforts: new student transitioning and academic support. Throughout all of our work, we underscore the Jesuit tradition in striving for excellence, caring for the whole student, and unifying the heart and mind.

Creighton Jesuit Values

Creighton is a Jesuit university, rooted in the Catholic tradition. At Creighton we live this mission and are guided by our identity. We hold the following values dear:

Magis - Literally translated “more”. This is the challenge to strive for excellence.

Women & Men For and With Others - Sharing gifts, pursuing justice, and having concern for the poor and marginalized.

Cura Personalis - “Care for the individual person.”
Respecting each person as a child of God and all of God’s creations.

Unity of Heart, Mind, and Soul - Developing the whole person. Integrating all aspects of our lives.

Ad Majorem Dei Gloriam (AMDG) - “For the Greater Glory of God.”

Forming & Educating Agents of Change - Teaching behaviors that reflect critical thought and responsible action on moral and ethical issues.

If you want to be happy, set a goal that commands your thoughts, liberates your energy, and inspires your hopes.

- Andrew Carnegie

Success is not the key to happiness. Happiness is the key to success. If you love what you are doing, you will be successful.

- Albert Schweitzer

In order to do some thing you have never done, you have to be someone you have never been.
