

Community Oriented Primary Care (COPC) Summer 2025 Public Health Research

The **Community Oriented Primary Care (COPC) Summer Public Health Research Program** has been funded since 2007 by the National Institutes of Health (NIH) COPC Research Endowment Fund. It focuses on a health disparity research affecting underrepresented and disadvantaged population. The student researcher pioneers a project with a faculty mentor at Creighton University or any institution in the US and abroad who provides the structure and oversees the project.

Creighton
UNIVERSITY
