Strategic Priorities

RESEARCH AND SCHOLARSHIP

The CON will foster a culture of research and scholarship that enhances student, faculty, and staff engagement through new inter-professional and academic-clinical partnerships, attracting and retaining student and faculty leaders dedicated to discovering knowledge and innovative/leading evidence-based practices to improve the health and well-being of communities and global.

RECOGNITION

The CON will highlight its Jesuit values by developing a brand that creates a lasting footprint in nursing and paramedicine education by recognizing our past, acknowledging our present, and guiding the future.

RESOURCE STEWARDSHIP

The CON will implement a comprehensive and visionary plan to strategically and consistently increase annual funding, promote donor engagement through personalized stewarding, and maximization of resources to enhance nursing and paramedicine education, groundbreaking research, community health, and collaborative relationships, in order to guarantee sustainability and long-term success.

TEACHING AND LEARNING

The CON will create a vibrant person-centered learning community that leads with a forward-thinking curriculum, blending innovative teaching methods, cutting-edge technologies, and best practices to inspire and develop the next generation of compassionate and skilled healthcare professionals anchored in the Ignatian tradition.

WELL-BEING

The CON will empower students, faculty, and staff to uphold a positive healthy culture that fosters inclusivity, discovery, and collaboration by prioritizing student and employee retention promoting the CON as a student destination and employer of choice.
